
Health Care AND Health Scare

The Health-Care Insurance Reform debate in Congress is presently dominating the news. Whether ill or well, we are interested in the outcome. Wellness is, well, what we all want as long as we are living on the topside of the earth, right?

But there is another and more important concern that we should have, and that is our soul's health insurance. When the minister intones "ashes to ashes, dust to dust" over the coffin as it is lowered into the grave, it is too late for the departed to think about their soul's health!

Jesus said, "Do not fear those who kill the body but cannot kill the soul. But rather fear Him who is able to destroy both soul and body in hell." (Matt.10:28) This is biblical health *scare* which should motivate the "uninsured" to get into God's Eternal Health-Care Plan! And here it is: "For the wages of sin is death, but the gift of God is eternal life in Christ Jesus our Lord." (Rom. 6:23)

"I pray that you may prosper in all things and be in health, just as your soul prospers."
(3 John 1:2)
